

LAUNDRY SOAP

POWDER DETERGENT

TECHNOgreen
Caring For Our Environment

TECHNICAL INFORMATION GUIDE

DEFINITION: Cleaner Concentrate laundry powder, controlled foam and high performance.

COMPOSITION: Anionic and nonionic surfactants, anti-corrosion, sequestering agents, optical brighteners.

FEATURES: **Technogreen Laundry Soap** is a powdered cleaner indispensable in the laundry. The foam produced is minimal with incredible performance. **Technogreen Laundry Soap** is extreme versatility with high cleaning power. Makes a thorough cleaning and prevents that dirt dissolved in the wash water is re-deposited in clothing. Removes stains and has a great power bleach. **Technogreen Laundry Soap** protects washer against corrosion and its low foam prevents damage.

INSTRUCTIONS: A small dose of 40 gms. it is enough for 4 kgm of clothes washing. It works in both cold and hot water. If you leave clothes soaking in **Technogreen Laundry Soap**, heavy dirt loosens and achieves better results.

PACKAGING: 8 lb Box in case of 4 pcs, 35 lbs Bucket
